Volleyball Equipment Cart

Model #6295

HARDWARE LIST

Reference	QTY	Description
A	4 ea	½" lock washer
B	4 ea	½" hex jam nut
C	16 ea	8mm x 1.25 bolt, 1.75" long
D	16 ea	8mm flat washer
E	1 ea	6mm hex wrench

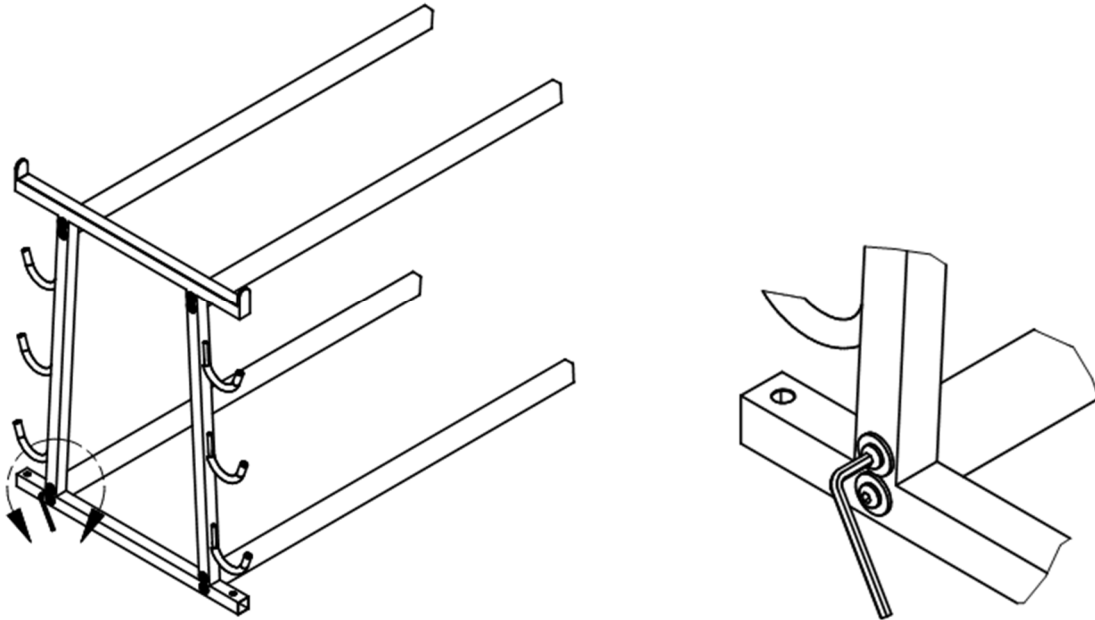

PARTS LIST

Reference	QTY	Description
1	1 ea	Black Canvas Pouch
2	1 ea	Lower Shelf
3	4 ea	Caster Wheel
4	4 ea	Crossmember
5	2 ea	End Assembly
6	4 ea	End Cap
7	12 ea	Rubber Sleeve

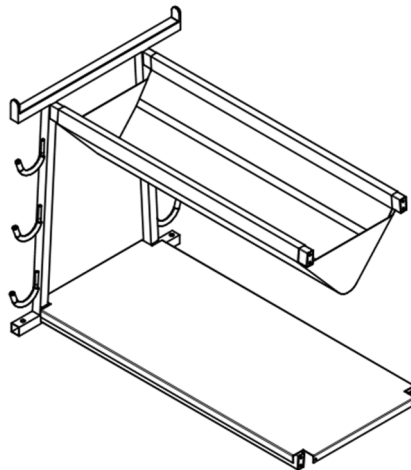

1. Using above Parts List, confirm that all parts and hardware are included.

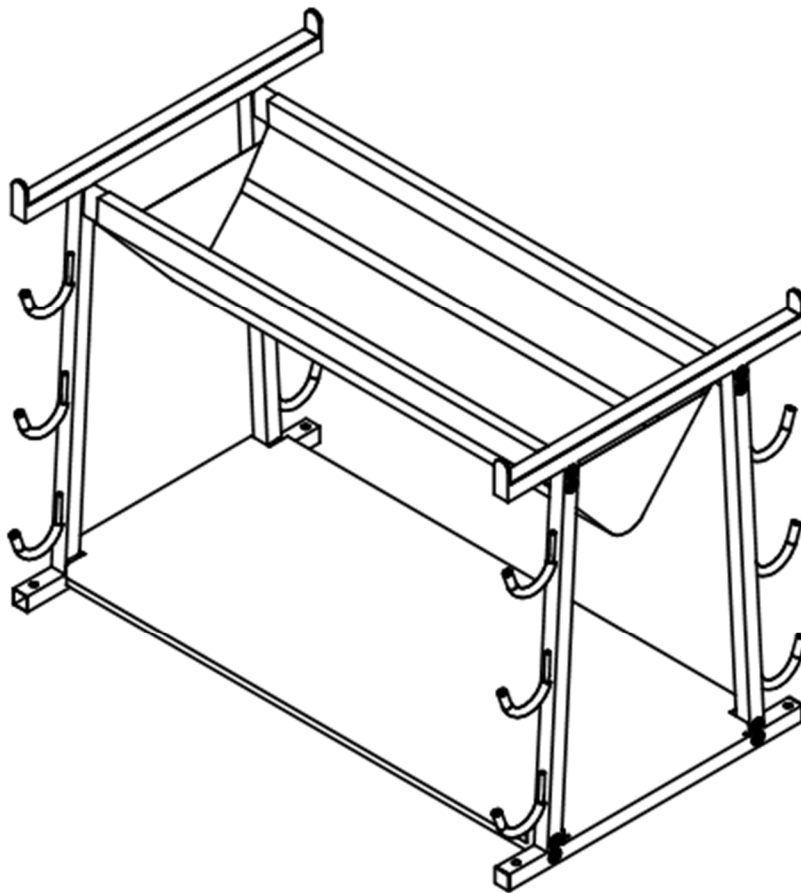

2. Loosely attach four Crossmembers (4) to the one of the End Assemblies (5) using eight 8mm bolts (C) and eight 8mm flat washers (D) per end, do not attach other end assembly at this point. Do not tighten bolts fully. (GARED Logo on the End Assembly should face outward)

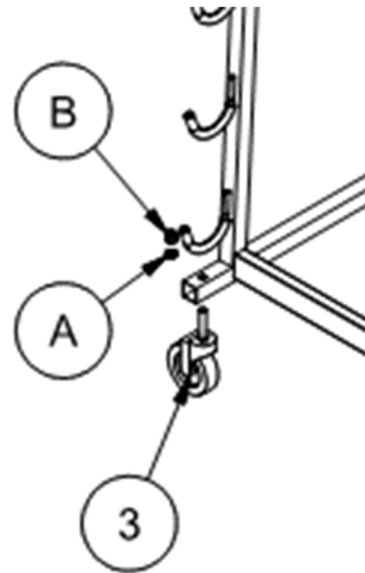

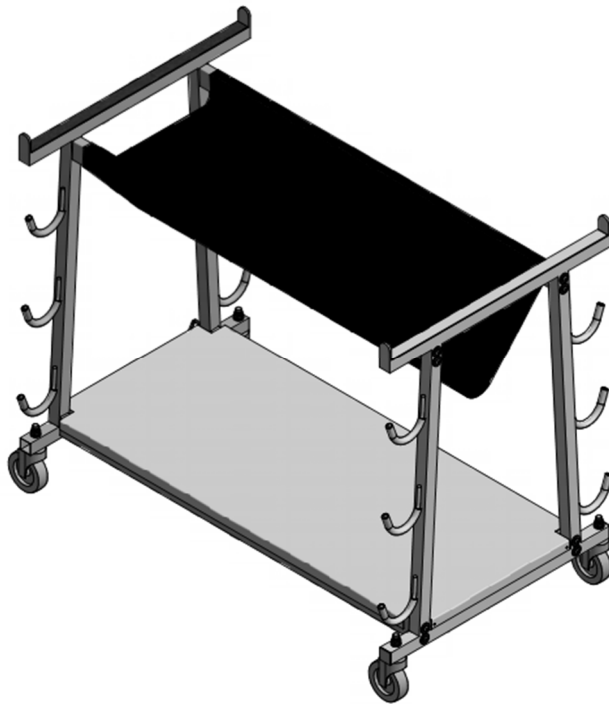

3. Carefully insert the top Crossmembers (4) through the sleeve of the Black Canvas Pouch (1). Place Lower Shelf (2) on bottom Crossmembers (4).

4. Attach four remaining Crossmembers (4) to the End Assembly (5) using eight 8mm bolts (C) and eight 8mm flat washers (D) per end, tighten bolts fully. (GARED Logo on the End Assembly should face outward)

5. With the unit tilted, insert the threaded stub of the **Caster Wheels (3)** through the intended holes in the **End Assemblies** and securely fasten each **Wheel** with one **Lock Washer (A)** and **Hex Nut (B)**.

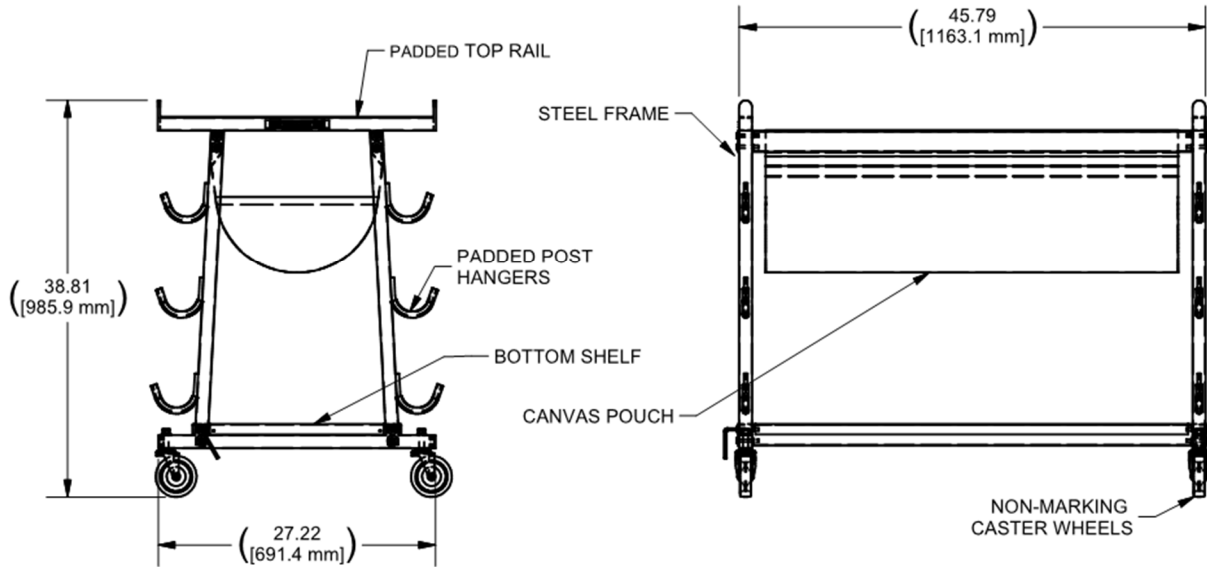

6. Position the **End Caps (6)** into the ends of both **End Assemblies (5)** and tap in securely
7. Place the **Rubber Sleeves (7)** onto each “hook” of the **End Assemblies (5)**.
