## MODEL FGP200

### COMBINATION FOOTBALL AND SOCCER GOAL POST

This unit is designed for multi-use fields where rapid conversion from Soccer to Football and back again is required. This unit is a great product to maximize the use of your playing fields and provides end-user with goals for both sports at an economical price.

Goal is official for high school sports. Soccer goal is 8' high x 24' wide and meets NFSHSA specs. Football goal is 10' high x 23'-4" wide and meets NFSHSA. Front posts are 4" SQ with smooth radius corners. Crossbars are 4" wide x 2" deep with smooth radius corners. Net not included.

Powder coated steel main posts, uprights, and crossbar with detachable 1-5/8" O.D. galvanized steel soccer backstays.

Unit shall be designed for permanent or semi-permanent installation (ground sleeves included). Uprights or ground sleeves are to be installed with footing dimensions approximately 18" in diameter and 36" deep minimum. Optional underground anchors to be installed in 12" square and 18" deep concrete.

**Concrete for installation not included.**

Subject to design change and current manufacturing practices.
